Shrutika Aher
Data Science

Dedicated and enthusiastic MSc Data Science student actively seeking opportunities in the field of Data Science. Experienced some virtual internships backed by relevant certificates. Eager to contribute analytical insights and solutions to a dynamic data-driven team.

SKILLS

Python	SQL
Machine Learning	Deep Learning
Natural Language Processing	Statistics for Data Science
Mathematics	Power BI
Time Series and Forecasting	Exploratory Data Analysis
Data Analysis	Microsoft Excel
Communication	Problem Solving
Critical Thinking	Project Management
Data Mining	R Programming

CERTIFICATIONS

Advance SQL
Great Learning

AI for India
Skill India Digital

EDUCATION

Vellore Institute of Technology, Vellore
MSc, Data Science
(September 17, 2022 - July 01, 2024)

KRT Arts BH Commerce AM Science KTHM College
BSc, Computer Science
(June 24, 2019 - August 18, 2022)

Janata Vidyalay and Junior College
Higher Secondary Certificate, Science
(June 01, 2018 - March 03, 2019)

Baglan Education Society, English Medium School
Secondary School Certificate, Science
(March 01, 2016 - March 10, 2017)

PROJECTS

American Sign Language Detection
Developed a model to detect American Sign Language gestures using computer vision techniques.

Titanic Survival Prediction
Built a machine learning model to predict survival outcomes on the Titanic dataset.

Google Playstore Data Analysis
Conducted exploratory data analysis on Google Playstore dataset to derive insights.

Credit Card Fraud Detection
Implemented a fraud detection system using machine learning to identify fraudulent credit card transactions.

Currency Converter
Created a currency converter application to facilitate currency conversion for users.

Random Password Generator
Designed a tool to generate secure random passwords for enhanced online security.

VIRTUAL INTERNSHIP

Data visualization: Empowering Business with Effective Insights
TATA Group

Data Analytics and Visualization
Accenture

Data Science
CodSoft

Python Development
Technohack

COURSE

Ekeeda- School of Data Science
Data Science Course
(December 05, 2022 - Present)
